

2010 Stars & Stripes & Big A Circuit award winners

Wow. OMG. Out of this world. Fill in whatever word best fits into that category. Never in our wildest imagination did we think these shows could grow into what they did. More than 15,000 total entries in all divisions. And more than 10,000 bottles of water were given out to the exhibitors at all of the arenas as well. That alone is a mind-blowing figure. Add in all of the popsicles and we did our best to keep you hydrated. Of course there were the daily breakfasts, the ice cream social, the free pizza and the Monday exhibitor party & that is a lot of food. Before we say thanks to the various sponsors, we must say thank you to the exhibitors & trainers who kept showing as we juggled arenas to try & get everything over at a 'reasonable' time. One beautiful thing about the Georgia International Horse Park is that there are many arenas that allow the 'juggling' to occur. Changes are already being made to the 2011 schedule to try and make things even easier for everyone involved. Though we wish we could control the weather, everyone was in the same boat & just went with the flow.

For comparison figures: (AQHA entries only)
