

## 2010 March To The Arch – A Wrap Up!

Every year when we get ready to write this, we think to ourselves how can it get any better, bigger, more fun, more shocking....but each year everyone in attendance seems to dig deeper, give a little more, show in a few more classes or just bring a few more friends that come back the next year with a horse. This year there were horses trailered in from Connecticut, Florida & California and all states in between AND one exhibitor flew in from Belgium to show her horse! We can account for horses & exhibitors from NY, CT, PA, OH, IN, IL, KY, MO, MI, WI, MS, NJ, KS, OK, CO, AL, LA, NE, IA, MN, CA, NV, TX, AR, TN, GA, FL, SC, NC, VA and both Alberta & Ontario. The two little words of 'THANK YOU' just do not have the depth that we want them to. We could say it one thousand times and it still would not be enough. We are still saying it to those that came the first year. So, THANK YOU. We try & list everyone that helped to sponsor the 2010 MTTA, however if you see someone not listed or misspelled, please email Kathy immediately for a correction. ([kavolt@hotmail.com](mailto:kavolt@hotmail.com)) It truly is an oversight and we apologize.

Standing in the middle of the arena for the show includes our judges who donated their time & we certainly worked them hard! They include Leslie Lange, Jeff Mellott, Tony Burris, Manita McKool, Scott Neuman, Andrea Simons, Kelly Chapman & Debbie Cuvelier. Assisting the judges were Susan Wilderman, Cindy Pence, Kim Garrett, Mike Fester, Konnie Brooks & Tom Downing with Paul Zink working the gate. Also - running the trail pen were Tim Kimura & Don Lehman. Of course, we cannot start the show end of things without the chairs - Doug Landon and Lana Brooks. Providing the show staff management included Mark Harrell, David Pardue, Julie Pardue, Peggy Gander, Kathy Avolt, Sarah Shimazu & Tim Busse. David was responsible for all of the decorations & designs. Sandy Huebner again handled all of the vendors and along with her husband Bob, helped to coordinate the Equestrians With Disabilities clinic held Tuesday evening. And providing anything & everything asked of them were two Stephens College Students - Michelle Schultz & Vanessa Tuepeker. And finally, but certainly not last - Michelle & Bob Speck - for just everything thing you did. We'd like to thank the Gateway Gay Rodeo Association for their use of the additional sound system Friday night.

Friday night we celebrated those fighting or fought & won the battle with our traditional survivor classes. The participants included - Betty Jo Boxell, the winner of the HUS - Patricia Wetmore & in the western pleasure classes - Tammy Engler & RL Sudden Change (winner), One Hot Henry & Julie Ehler, Linda O'Brien & Corporate Credit, Angela Ramsey & Godiva By Image, Radical Roscoe & Dick Pals. Ultimately - these classes are what this show is about. Fighting & winning the cancer battle!

During Friday evening's auction - we must give special notice to the high bidders. They include Steve & Kathy Headley who bought the golf cart & Heidi Rasor who purchased two wooden director chairs made by Dr Keith & Candy Cummins for \$7000! Heidi plans to take them to all of the California shows when she gets back home! Also thank you to Mike & Vickie Clites & Joanne Garnett, Beth McNichol, Greg & Nicci Demint for being additional top bidders.

(We are updating this list as of March 17 - one list has been left at the barn & our memories are not as good as they once were - so any omission is purely accidental.)

Of course, this review would not be done without mention the highlight of the evening - the LADIES PLEASURE!!! Lots of new ladies participated & each year they get better & better. One outstanding effort was shown by Max Harrell, a 13-year-old that was a past patient at the St Louis Children's Hospital & dressed as Hannah 'Man'tana riding Blue Jeans (Frosted Love owned by Sarah Portell)! He will be a future political candidate because of his successful marketing campaigns! Among those participating include John Scott (Senorita Juanita Withawena) and Craig Miller (Wonder Woman). These two, along with their ever-creative wife's Karla & Sue, have participated since year two & each year they get better & better! The winner was a first time participant - Denny Mae Hasset (Denny Hasset) riding Kash Flow owned by Debby Brehm. The top ten also included - the reserve champion - Burning Bush At Twin Peaks (Mike Tivoli) riding (Grazing Between The Peaks) Chippin Overtime owned by Tom Davies, Cher A Hot One (Brendon Mehochko) riding

Ditching Suny (Dont Skip George), Ima Goodride (Todd Grant) riding Invite Me Later owned by Stanley Scott, Uño U Wantsom (You Know You Want Some) also known as Wayne Hembry riding Lot Lizard (Hez Always With You owned by Mark & Nina Baker), Seniorita Luisa Mondonna Hernandez (Dewey Smith) riding Lady Of The Evening (Only N Forever owned by Megan Ruley), Wonder Woman riding her own horse – Superman (Dont Hide The Story), Seniorita Juanita Withawena riding her own horse Hopin For A Hot One (AKA Zorro) & Inita Moore Dough (Daryl Madden) riding Sugar Daddy (Zips Hot Blaze owned by Michelle Speck). Daryl & Brendon won the best costume titles awarded by Mid Rivers Veterinary Clinic.

As soon as the final dollar figures are calculated, we will announce the donation amount. We are so very appreciative of everyone's support of the show & this year's charity – The St Louis Children's Hospital.

The 2010 show might go down in the record books. The total show entries are more than 5300 entries in all divisions. Those include nearly 200 trail runs & almost 90 Western Riding runs during each split/combined show. Pretty amazing!! The circuit awards are as follows. Thank you to everyone that followed the show on **Facebook** as well! Be sure to become a fan!
